Brand New Book ***** Print on Demand *****.Our CLEP American Government courseware includes a 170 page review book, with over 240 questions with detailed answers and a free download version of our testing software program with over 400 questions to prepare for the exam. We have crammed more information into our courseware than any other publisher. With our software you can take hundreds of sample exams and never take the same exam twice. Our advanced software creates the closest experience to the actual exam. Our software features timed tests, instant scoring, handy mark-and-return function, pause function, and more. The American Government examination covers material that is usually taught in a one-semester introductory course in American government and politics at the college level. The scope and emphasis of the exam reflect what is most commonly taught in introductory American Government courses that emphasize national government. The exam covers topics such as the institutions and policy processes of the federal government, the federal courts and civil liberties, political parties and interest groups, political beliefs and behavior, and the content and history of the Constitution.
