Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Divorce.a term that denotes separation or dividing asunder a relationship that was once, more than likely, friendly and loving. No one starts into a meaningful marriage or co-existence expecting to one day face the bitter challenge of a divorce. It often comes on the heels of infidelity, lost trust, disavowed love, or a thousand other reasons, but regardless of the cause the end result is often despair, sadness, and a sense of loss.Such feelings are normal, especially if the relationship has spanned many years. Happy Divorce is a hands-on roadmap for anyone negotiating the brutal minefield of separation and divorce. It has been written to help individuals sort out who they are and what the future holds for them, following a necessary divorce. In the pages of this remarkably understanding guide, discover the essence of true happiness and unleash the power to liberate one's mind and mend a broken heart. Writer and relationship counselor, Rossana Condoleo, inspires and uplifts, helping people see to the future rather than mourn the past. Her book has the specific goal of helping companions, suffering the strain of divorce, to avoid pitfalls and mistakes that are all too common. Coaching and empowering individuals to take charge of their life, and circumstances, builds greater self-confidence and will prevent the need to ever look back and utter the words, If only I had known. The guide delivers a two-part approach, as illustrated below: Part One: (Emotional Focus) How to cope with the stress and pain of divorce. Ease frustration and regain a sense of control over your life and future. Focus on setting new, attainable goals in every aspect of your life. Don't...
