Project Lessons from the Great Escape (Stalag Luft III)

By Mark Kozak-Holland

Multi-Media Publications Inc. Paperback. Book Condition: New. Paperback. 276 pages. Dimensions: 8.4in. x 5.5in. x 0.7in. While you might think your project plan is perfect, would you bet your life on it? In World War II, a group of 220 captured airmen did just that -- they staked the lives of everyone in the camp on the success of a project to secretly build a series of tunnels out of a prison camp their captors thought was escape proof. The prisoners formally structured their work as a project, using the project organization techniques of the day. This book analyzes their efforts using modern project management methods and the nine knowledge areas of the Guide to the Project Management Body of Knowledge (PMBOK Guide). Learn from the successes and mistakes of a project where people really put their lives on the line. A portion of the sale of each copy of this book goes to The Great Escape Memorial Project. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.

This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that I am sure that I will go on to read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
