Wiley India Pvt. Ltd, 2014. Softcover. Book Condition: New. Comdex Hardware and Networking Course Kit is designed for those aspiring students who want to build their future in computer hardware. The book covers each and every detail of computer hardware starting from a simple looking mouse to highly complicated motherboard. Step-by-step description of concepts, supported by illustrations for easy understanding and simple language make this book unique in itself. The software section given in the book would be an added advantage for the readers since we strongly believe that hardware personnel must be aware with software.
