

The Agamemnon of Aeschylus: Translated Into English Rhyming Verse with Explanatory Notes (Classic Reprint) (Paperback)

Filesize: 4.91 MB

Reviews

Most of these ebook is the perfect publication offered. Sure, it really is play, still an interesting and amazing literature. You wont truly feel monotony at whenever you want of your time (that's what catalogs are for about in the event you check with me).

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Agamemnon of Aeschylus: Translated Into English Rhyming Verse With Explanatory Notes The sense of difficulty, and indeed of awe, with which a scholar approaches the task of translating the Agamemnon depends directly on its greatness as poetry. It is in part a matter of diction. The language of Aeschylus is an extraordinary thing, the syntax stiff and simple, the vocabulary obscure, unexpected, and steeped in splendour. Its peculiarities cannot be disregarded, or the translation will be false in character. Yet not Milton himself could produce in English the same great music, and a translator who should strive ambitiously to represent the complex effect of the original would clog his own powers of expression and strain his instrument to breaking. But, apart from the diction in this narrower sense, there is a quality of atmosphere surrounding the Agamemnon which seems almost to defy reproduction in another setting, because it depends in large measure on the position of the play in the historical development of Greek literature. If we accept the view that all Art to some extent, and Greek tragedy in a very special degree, moves in its course of development from Religion to Entertainment, from a Service to a Performance, the Agamemnon seems to stand at a critical point where the balance of the two elements is near perfection. The drama has come fully to life, but the religion I has not yet faded to a formality. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work,...
