App Blanks for Blackberry Mobile OS (Paperback)

By Mirko L Cukich

Createspace, United States, 2010. Paperback. Book Condition: New. 254 x 203 mm. Language: English . Brand New Book ***** Print on Demand *****.The BlackBerry Smartphone is one of the most top used phones in the business world. It's strong and secure operating system has been on the market for years, proving itself against all competitors time after time. But in a world where customers are demanding more apps, it has some major competition coming from the Apple iPhone and Android OS based smart phones. This book is designed to help you focus on bringing your BlackBerry Mobile OS Apps to life. When creating an app for a mobile device, size and design are a crucial part of the mix. It's not enough to have a good idea, but you need an idea that works and is easy to use on a small touch screen surface. One of the reasons why some apps make it and others don't is because they took the time to plan out their app, see how it works looks before even writing down one piece of code. This simple process of spending time in concept and design changes everything. It's a critical...
