Createspace, United States, 2012. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Sufi is a timeless fable about following your dream. Weaving an ancient indian parable, of the search for true happiness and enlightenment. Every so often a book is published that changes the lives of its readers forever. This is such a book - a beautiful parable about learning to listen to your heart, read the omens strewn along life's path and, above all, following your dreams. Set to be a spiritual classic in its own right, Sufi can be enjoyed by any age, culture or belief, as it steps beyond all defined boundaries, pointing to the heart. The story is inspired by the great mystic poets from the east, who point so eloquently to the path of love, which lies at the heart of the human yearning. The story follows Hafiz, a young man through a journey of grief, trials, love and longing, as he attempts to find who he is truly is. On the way he meets an old Sufi master who attempts to show him the mysteries of life, yet in unconventional ways that test every belief he has about himself and the world.
