This is the finest book i have got go through right up until now. I have got read and i also am confident that i am going to planning to read once again yet again in the future. You will not truly feel monotony at at any time of the time (that's what catalogs are for about if you check with me).

BRILLIANCE AUDIO, United States, 2014. CD-Audio. Book Condition: New. Unabridged. 170 x 132 mm. Language: English . Brand New. Seven weeks ago, a young American woman, Amanda Pym, faced down hijackers on board a flight to the Middle East and saved the lives of more than two hundred passengers. In a blaze of celebrity, she stepped off the plane in Damascus and was whisked away in a waiting car. Since then, NOTHING. The CIA believes she was kidnapped and murdered. Whose plans has the apparently ordinary young woman interfered with? The machinations of the mukhabarat, Syria's dreaded police? The schemes of cutthroat terrorists? Or has she simply gone into hiding? Masquerading as Amanda Pym's worried aunt, Mrs. Pollifax begins her determined search, slipping through Damascus crooked streets and colorful, crowded souks, and trekking deep into the desert, hoping that rumor and whispers (which is all she has to go on) will lead her to the truth.
