The ultimate business how-to book by the icon of American business and one of the world s most revered and respected leaders, Jack Welch, former CEO of General Electric. Jack Welch knows how to win. During his 40-year career at General Electric, he led the company to year-after-year success around the globe, in multiple markets, against brutal competition. His honest, be-the-best style of management became the gold standard in business, with his relentless focus on people, teamwork and profits. And it focuses on managing your career - from finding the right job to achieving work-life balance. Jack s optimistic, no excuses, get-it-done mind-set is riveting. Packed with personal anecdotes and written in his distinctive no-nonsense voice, Winning offers deep insights, original thinking and solutions to nuts-and-bolts problems that...
