They are helpless against a relentless marketing machine that repeats one word over and over again: buy, buy, buy! But does your teenager understand the power of their wallet and how to make it work for them? Here to help is Time Worth Spending: the Top 10 Talks to Have with Your Teenager About Money. It lays out a roadmap for teenagers and parents to learn the most crucial money management lessons together; how to earn it, save it, spend it, invest it, and give it. Broken into ten easy-to-understand chapters, Time Worth Spending helps your teen master the basics of money management and shows them how to evaluate financial choices, from the simple (eat out or cook in) to the more complex (how to afford college). The book is filled with short stories and hands-on activities specifically geared to help teens move toward personal and financial independence. For the past fifteen years authors Garfield and Edge have been helping young adults and their parents learn about the best ways to...
