Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from State Manual of the Course of Study for the High Schools of Oregon a. In the preparation of the high school courses, consideration has been given for the different aptitudes of pupils and for the different preparations which a high school must give to fit all of its pupils for larger spheres of usefulness. b. Much freedom in the choice of electives should be given with the hope that a pupil will not be forced to take a subject in which he is not interested and for which he has no aptitude; but he should not be permitted to select subjects here and there, purely for the purpose of securing credits for graduation. Competent high school teachers will wisely direct his work, and through the cooperation of the parents, the pupil and his teachers, he will pursue a course that will give him not only a symmetrical mental development, but will prepare him for some particular work, when he has completed his high school course. A pupil may change his course whenever the high school principal grants the permission, upon the written request of the pupil s parent or guardian. c. A pupil who elects the English and mathematics course will take English and algebra the first year and elect two more studies from all of the others in the first year of the various courses. Should he elect the course in English and languages, he will take English and Latin, and any two of the studies of the other courses given in the first year. d. Fifteen full credits are required for the completion of a course. Pupils should, however, if possible, complete the...
