The book is great and fantastic. It is written in straightforward words and phrases rather than difficult to understand. You won't really feel monotony at any time of your respective time (that's what catalogues are for regarding should you question me).

Phaidon Press Ltd. Hardback. Book Condition: new. BRAND NEW, A World of Your Own, Laura Carlin, If you were creating a world of your own, what would it look like? Would you build your house out of brick - or out of jelly? Would it be on the ground or in a tree? Would your shops sell envelopes and sweets - or shoes for superheroes? Would you ride a train to town, or a dinosaur? Taking the reader on an extraordinary visual journey through her imaginative world, award-winning illustrator, Laura Carlin, inspires children to look, draw and make - first from life, and then from the imagination through sharing her own personal thought-processes and drawing techniques. Using the narrative of a day - from getting up in the morning, to going to bed at night - Laura shows children how she records every day things and events on paper, and then improves them through her wild and witty imagination - helping children form a visual manifesto of their own world, and enthusing them to find enjoyment and entertainment in drawing and creating with the most everyday objects.
