NeWest Press. Paperback. Book Condition: new. BRAND NEW, Invisible Ink: Crypto-Frictions, Aritha Van Herk, This book acknowledges that no form of writing can stay categorically separate from another. Both writing and reading, reader or writer friction each other, desire the contamination of words. As fiction writer and critic, Aritha van Herk explores other texts, other bodies, other moments arising from the otheredness of the writer in the uneasy position of critic. More than elucidations, these writings become journeys through language and imagination, weaving together the realms of fiction, autobiography, poetry and criticism.
