The Perseus Books Group. Paperback. Book Condition: new. BRAND NEW, Linus Pauling: A Life in Science and Politics, Ted Goertzel, Ben Goertzel, One of the few unquestioned greats of twentieth-century science, Linus Pauling was the only person to receive two unshared Nobel Prizes--one in chemistry, for deciphering the quantum physics of large molecules, and one in peace, for helping to end nuclear bomb testing. His brilliance was allied with a certain stubbornness, and when he died in 1994, at the age of 93, he was embroiled in controversy regarding his advocacy of vitamin C as a treatment for cancer. Based on thirty years of interviews, this masterful biography is filled with insights into the life and work of this complex, fascinating man.
