So are more than 20 young warriors sent to bring them to the people gathered on the reservation between the Rosebud and the tongue. Without the cattle, the people will starve or maybe take by force that which is necessary to survive. Two brothers, one Cheyenne (a Warchief named Bear-That-Walks-The-Sky) and the other white (named Jed who is also a deadly gunman called the Breed), must deal with the mystery before the Northern Plains again run red with blood.
