Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.These 5 volumes of Love, Life and Freedom are written to inform challenge all those who desire truth. All volumes make up an anthology of essays, sermons, scientific articles, confronting comments, warnings, urgings and some songs. They are written over time, reflecting one mans persistent pursuit of truth. By Gods grace he found quite a bit of truth insists they would be of no value unless it was freely shared with everybody and anybody. Thus, though there are convoluted arguments and complex scientific studies, the author is writing for all those whose desire to know everything outweighs all other passions. Since childhood he has wondered not only what and how but why: Why do humans act so strangely? Why did God create beings that bring Him so much grief? Why do couples mistreat their children? Why do homo sapiens parents destroy their young and thereby exterminate their species? Why did it take so long for humans to discover natural family planning and $E=mc^2$? Why wont people investigate rapid orbital decay? And much more. If you have often wondered why, you will feel right at home. If you persist you will find some surprising discoveries that were brought to the attention of his elder, physician, sailor, politician, and songster. Dont be surprised that sometimes the tone is provocative. He is trying to keep you awake alert. If any emotion pervades these pages it is a sense of urgency. Human history is cascading to an abrupt and very uncomfortable end. Dr. Philip Ney insists it is not too late to persuade God to relent but the present selfishness, disinterest, apathy and lethargy make the chances very slim....
