Reviews

Here is the finest ebook i have got read until now. It really is simplistic but excitement within the 50 percent in the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

BLUES DIVINE (PAPERBACK)

Rivershe Collective Arts, United States, 2014. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Blues Divine is at heart an ancestral mixtape and tribute. These poems have been creative salvations, signposts, people s history and testimonies. Inside is a journey of many intersections and switchbacks, fast running rivers and swamplands, as well as those sacred places where sun splits the sky wide open. Born into a crossing over place where Indigenous met African met Texan met Alaskan Native, sat down in a pre-Stonewall gay bar and discussed shadows and recovery.left home age ten and been looking ever since.sang and sang again.rambled on.and still underway. Everything about Storme Webber signifies something. Her writing signifies lost words re-discovered, re-birtherd, and given new meaning. Her voice signifies the memories of our mothers and grandmothers - and their mothers. It signifies both the calmness and tempestuousness of primordial waters. Storme s very presence signifies the global we . The we of this planet whose roots run deep into the earth, who have tended the earth, ever since Sky-woman was lowered onto the turtle s back. Storme signifies this. She signifies the we-womyn-who-love-womyn-who-live-womyn-centered-lives, politically, personally, spiritually. at times vulnerably, at times fearlessly, but always honestly. Storme Webber signifies the consummate artist/priestess. When you witness her center-stage, or hear her recordings, you witness more than performance, you witness ritual. Sha Ifa Mami Watu, HipHop Haijin/Lyricist-the Legacy trio.
