CHAPTER ONE PROJECTIONS OF SOCIAL SECURITY'S FINANCES 3 Even under a wide range of assumptions, CBO's projections point to a financial imbalance in the Social Security outlays and revenues with GDP, a more comprehensive system over the long run. Changes in economic growth measure of the nation's economic resources. CBO type can affect the system's finances. But because the initial study presents various types of outlays and revenues related benefits paid to new recipients are indexed to the overall ratio to GDP in other projections, and the use of a common growth of earnings, the effect of such changes is muted. This metric allows policymakers to more easily compare the costs of different programs. Therefore, this report. For the most part, the future financial status of Social Security mainly presents Social Security outlays and revenues related. Security will...

### Reviews

*This book is definitely worth acquiring. I have gone through and so I am certain that I will likely to read through again in the future. It's been printed in an exceptionally basic way in fact it is only after I finished reading this publication in which actually altered me, change the way in my opinion.*
