Clarkson Potter, 2013. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "When I need ideas for potlucks or gatherings, I call on my go-to gals, the Casserole Queens! Whether it's gluten-free, vegetarian, or anything goes, their comforting one-pot dishes are sure to be a hit. But even better, Crystal and Sandy clearly get a lot of joy from sharing food with others--and they want you to have just as much fun, too." --Lisa Fain, author of *The Homesick Texan Cookbook* "Those sly, sassy Casserole Queens have once more moved casserole culture forward. Their mix-and-match recipes for delicious family recipes feature gluten-free (gluten-free corn dog casserole!), diabetic-friendly, and vegetarian options to make sure everyone at the table is included." --Martha Hall Foose, author of *Screen Doors and Sweet Tea* "The Casserole Queens have embarked on a mission that is not only getting us all back in the kitchen and cooking the food that Ma and Grandma used to make, but is also going a step further. They are moving away from our digitized, hectic, futuristic lifestyles and are preserving a style of cooking that is quickly going the way of homemade jams and pickles. They are champions of a cuisine that can truly be called American." --Duff Goldman, owner of Charm City Cakes.
