## Oxford Handbook of Clinical and Laboratory Investigation and Oxford Handbook of Medical Sciences Pack

By -

Oxford University Press, United Kingdom, 2016. Multiple copy pack. Book Condition: New. 3rd Revised edition. 180 x 108 mm. Language: English . Brand New Book. Two titles from the bestselling Oxford Handbook series are available together in this great value pack. The Oxford Handbook of Clinical and Laboratory Investigations provides a patient-oriented approach to investigation. The first chapter describes key symptoms and signs along with tests that may be of value in reaching a diagnosis. The remainder of the book is specialty-centred and provides a comprehensive review of all available tests within a given subject. The aim is of the book is to provide a more rational method of investigation and prevent over-investigation which is expensive for the hospital and unpleasant for the patient. It emphasises which tests are of value, when tests are not likely to be helpful, along with pitfalls in the interpretation of results. This new edition has been updated throughout to incorporate current investigations and management of disease. Chapters on rheumatology, radiology, and renal medicine have been extensively revised. With contributions from active clinicians who are engaged in medical practice, the book will be of value to senior medical students facing finals examinations, and junior doctors...
