

Four Wheels Five Corners (Paperback)

Filesize: 4.06 MB

Reviews

This ebook will never be effortless to get started on studying but extremely fun to read through. It is actually written in easy phrases and never difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

Flying Rabbit Press, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Four Wheels Five Corners: Facts of Life in Upcountry Maui Paul Wood Second edition with new artwork, maps, and text Maui s Upcountry region has no precise boundaries and very little connection to the cute ideas you read in tourism publications. But anyone interested in Maui, or in the contemporary Hawaiian Islands, or in the abundant comedy of barely civilized human nature, will find surprises and delight in these playful short tales and observations. During the 1990s, award-winning writer Paul Wood undertook a series of newspaper pieces trying to get at the true experience of his home terrain. He quickly realized that Upcountry is partly a state of mind, so he was forced to include tall tales and truthful distortions. As an inspiration for the design of his pieces, he chose the flimsy hairpin roads that noodle through the gulch country of windward Haleakala-bad roads in beautiful places. The new driver (driving a truck, one hopes) tends to panic (where is this all going?) and in the end arrives safely to wonder what just happened. Hence the series title, which refers to one of the dankest and most bewildering intersections in Hawai i. Throughout it all, Wood repeatedly calls for a sense of community-a community of strangers, refugees, cowboys, mechanics, shopkeepers, realtors, scratch farmers, massage therapists, entrepreneurs, people who have real jobs, dreamers and floaters and rough-hands. All they have in common is the shared landscape, along with a vision of the native Hawaiian culture that precedes them. Wood produced the book first in the mid 90s, a print-run of 1,000 copies, all but three of which were sold within the first two months. Here...
