Harmony Books, NY, 2006. Hardcover. Book Condition: New. Dust Jacket Condition: New. 1st Edition. Stated first edition and the number line on the copyright page ends in 1. 463 page hardcover, includes photo-illustrated endpapers, a photo-illustrated title page, a large group of captioned pictures, several other captioned pictures in the text, a Filmography for Mr. Stewart, and an Index. "Jimmy Stewart's all-American good looks, boyish charm, and deceptively easygoing style of acting made him one of Hollywood's greatest and most enduring stars. Despite the indelible image he projected of innocence and quiet self-assurance, Stewart's life was more complex and sophisticated than most of the characters he played. With fresh insight and unprecedented access, bestselling biographer Marc Eliot finally tells the previously untold story of one of our greatest screen and real-life heroes. Intimate and richly detailed, **JIMMY STEWART** is a fascinating portrait of a multi-faceted and much-admired actor as well as an extraordinary slice of Hollywood history." New, unread copy: spine square/light bumping at heel/TINY bit of bumping at head else the book is perfect with NO markings throughout. The dj has a TINY bit of bumping at head/heel of spine else it's perfect, also, with no other flaws. NOT an ex-library, NOT a book club, NOT a remainder, dj NOT price-clipped (" \$25.95"). New in New dj.
