Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.About the Psychic: Hi. I m Jacki. Also known as Seven Rising in higher realms. I was graced with my name because of the neverending work and compassion I ve shown humanity down here as well as everywhere in the universe. I ve descended back to earth to help lead the rise of the planet back to the seventh realm through my unconditional LOVE and compassion. I ve received many gifts that I now share to help you achieve your original state as part of unity consciousness. If you do not see what you are looking for, please comment on my page and I will answer there for you. Due to the overwhelming amount of messages I receive, I can t always answer everyone privately. When you ask publicly, it enables others to learn as well. Many thanks to you for joining me now in this time, in this place, to help lead the rise. You can find Jacki on Facebook under, Seven Rising. About the Photographer: Let me talk to you about a friend of mine that just so happens to be my neighbor. I ve only known Jacki since the purchase of my home in 2013, yet I consider her a close friend and confidant. She s honest and wild and uninhibited. She said to me once, Lauren, I m weird. I love my solitude and that s a good thing because the world isn t ready for me. She s unapologetically herself at all times. She s quirky and goofy and spiritual and open and lives with abandon. She dreams in the daytime. She does what she wants, she doesn t apologize...
