Little, Brown Book Group. Paperback. Book Condition: new. BRAND NEW, Nothing Natural (New edition), Jenny Diski, 'Nothing Natural centres with illuminating precision on a sado-masochistic relationship. Rachel is in her thirties, a single parent admired by her friends for her self-sufficiency . But when she meets the compelling, sinister Joshua she discovers another side to herself . In a sense which horrifies her, she has found herself . An outstandingly well-written novel' New Statesman An addictive story of a dangerous love affair with a shocking denouement, this is a complex examination of the relations between the sexes at their most combatative and collusive. It is a clever book with much to tell us about the nature of desire and what should or should not be permissible.
