## CUENTOS DE JULIO VERNE

By VERNE, JULIO

MESTAS EDICIONES, España, 2015. Encuadernación de tapa blanda. Book Condition: Nuevo. 19x12cm. 192 pp. Considerado el precursor del género de la Ciencia Ficción, Julio Verne fue el más adelantado y visionario de los grandes escritores que nos dio el siglo XIX. Su desbordada imaginación dio lugar a medio centenar de las mejores novelas de aventuras de todos los tiempos. Lo cierto es que por más que podamos destacar "De la tierra a la luna", "20.000 leguas de viaje submarino", "Cinco semanas en globo" o "La vuelta al mundo en 80 días", la gran mayoría de su obra es digna de mención, y raro es el título que no conmueva y haga soñar al lector con sus historias imposibles. No hay niño que no haya disfrutado con las hazañas de sus personajes, su narración adictiva o su extraordinaria manera de mostrarnos el mundo. No en vano es el segundo autor más traducido de la historia, solo superado por Agatha Christie.
