

A Volunteer Youth Worker's Guide to Leading a Small Group (Paperback)

By Mark Oestreicher

Barefoot Ministries of Kansas City, United States, 2013.

Paperback. Book Condition: New. 198 x 130 mm. Language: English . Brand New Book. A lot of churches and youth ministries have given up on the idea of small groups, writing them off as too tedious, too difficult to manage, too hard to find volunteers for, too expensive to provide materials or curriculum for, or any other number of reasons. In A Volunteer Youth Worker's Guide to Leading a Small Group, Mark Oestreicher argues a different perspective. Marko insists that small groups promote safe spaces to grow, consistency in teenagers emotionally tumultuous lives, and repetition that instills in them the importance of trust and tradition. The Guide to Leading a Small Group is perfect for anyone feeling disenchanted with the concept of small groups, and after Marko succeeds in changing your mind in the first few pages, he'll use the rest of the book to help you restructure and rethink your small-group programming so you don't get burned out again. Marko is leading the charge in reviving small groups, and you can join him today.

Reviews

Merely no words to explain. I really could comprehend everything out of this published ebook. I found out this publication from my dad and i suggested this publication to learn.

-- Prof. Margarita Ledner PhD

This written pdf is fantastic. It normally is not going to expense a lot of. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Gilbert Stroman
