GRIN Verlag Apr 2013, 2013. sonst. Bücher. Book Condition: Neu. 210x148x1 mm. This item is printed on demand - Print on Demand Neuware - Seminar paper from the year 2008 in the subject English Language and Literature Studies - Linguistics, grade: A-, Hawai'i Pacific University, language: English, abstract: Learning is a life-long process and everybody knows that it is often very painful and difficult. Teachers are supposed to meet the individual needs of the students, to help him/her to gain insight into the academic world and to succeed in school. It is often difficult for teachers to fulfill these tasks but it can become even more difficult if there are other factors that play a significant role in the learning process such as a learning disability called dyslexia. Nowadays there are a lot of children, who get the diagnosis dyslexia, and they are still treated the same way as children without a learning disability. It is often difficult for parents to accept the fact that their child might be dyslexic because they know how problematic the life of the whole family can become. These children have almost no chance to have a positive experience related to reading in school as...
