\*\*\*\*\*. Sometimes fame is the last thing a girl needs. Samantha Steel is blissfully happy. About to be made a partner in a leading advertising agency, she has no messy emotional ties, plenty of money, good parties -and designer dresses and decor to die for. Perfection. Until a one-night stand goes horribly pear-shaped when she accidentally bonks someone famous. The bonking wasn't accidental -- it was the guy being about as famous as it gets that was her big mistake. Suddenly she's a notorious scarlet woman and life is paparazzi hell. But when Sam disappears into the depths of the deepest darkest countryside, miles from the nearest latte, her life takes some very unexpected turns. With her characteristic quirky style, Kate Langdon captures the twisted humor of the perils of single life with wit, panache and her tongue firmly in her cheek.
